GAME IS PURE JOY.

PLATFORMER JUNKIES REJOICE!!! XD. just saw this on the indie games section and i thought ehh why not its only 3 bucks. I've finished 2 chapter so far and its overall pretty good the pixel art is beautiful and the platforming is fun. However the enemies are petty bland and some have odd hitboxes. As for the bosses they are challenging and fairly fun. Overall i would recommend this game since it is only a few dollars.

OUT NOW!!!!!! 15% OFF OH YEAH NINJA CAT!:
